**Amsterdam Dental Group Partner Jeffrey S. Ingber, DMD Penn Dental Medicine 2016  
Alumni Award of Merit**

May 10, 2016 – Philadelphia/Paoli, PA – Amsterdam Dental Group, a leader in periodontal prosthesis and periodontics, is pleased to announce practice partner Jeffrey S. Ingber, DMD is this year's recipient of the Penn Dental Medicine Alumni Award of Merit in recognition of his loyalty to the school, excellence in the profession of dentistry and community involvement. He will be honored on Friday May 13<sup>th</sup> at the Penn Dental Alumni Celebration & Awards Presentation.

Dr. Ingber completed his post-doctoral specialty training at the University of Pennsylvania School of Dental Medicine, where he received his specialty certificates in both Periodontics and Periodontal Prosthesis. He has served the University of Pennsylvania School of Dental Medicine as a Clinical Professor of Periodontics and is currently the Director of the Clinical Honors Program where he is a Clinical Professor in the Department of Restorative and Preventive Sciences. Dr. Ingber is a fellow with a number of professional and honor societies, including The American Academy of Esthetic Dentistry, Omicron Kappa Upsilon Honorary Dental Society and The Greater New York Academy of Prosthodontics. He is one of only 100 dentists internationally elected to membership in the American Academy of Esthetic Dentistry and is also affiliated with The Academy of Osseointegration and The American Academy of Periodontology.

According to Penn Dental Medicine, the Alumni Award of Merit is given annually by the Penn Dental Medicine Alumni Society to those graduates who have maintained their ties with the School through their support of alumni activities, demonstrated leadership in the dental profession, and fostered and maintained the ideals that the School of Dental Medicine has stood for since its founding.

Founded in 1948, Amsterdam Dental Group provides treatment for a full range of cosmetic, restorative and periodontal cases including the most complex issues. Trained in periodontal prosthesis and periodontics, Drs. Baumgarten, Fraiman, Ingber and Cross, alongside their newest associates, Drs. Moskowitz and Musso, are highly regarded in the local, national and international dental community. With offices in both Philadelphia and Paoli, PA, Amsterdam Dental Group

provides state-of-the-arts treatments using digital imaging, computerized tomography, dental implants and the newest advances in dental materials, including the latest in digital dentistry. For more information, visit [AmsterdamDentalGroup.com](http://AmsterdamDentalGroup.com).
