Amsterdam Dental Group Partner Harold S. Baumgarten, DMD Receives Penn Dental Medicine 2017 Alumni Award of Merit

May 9, 2017 – Philadelphia/Paoli, PA – Amsterdam Dental Group, a leader in periodontal prosthesis and periodontics, is pleased to announce practice partner Harold S. Baumgarten, DMD is this year's recipient of the Penn Dental Medicine Alumni Award of Merit in recognition of his loyalty to the school, excellence in the profession of dentistry and community involvement. He will be honored on Friday May 12th at the Penn Dental Alumni Celebration & Awards Presentation.

Dr. Baumgarten completed both his Doctor of Medicine in Dentistry (DMD) and post-doctoral specialty training in periodontal prosthesis at Penn Dental Medicine, the springboard into his more than 30-year career in clinical practice. With a strong commitment to continuing education and ties to his alma mater, he joined the faculty at the University of Pennsylvania School of Dental Medicine where he is currently a Clinical Professor of Periodontics. He currently teaches in the periodontal prosthesis postdoctoral program, also having served as the Director of Crown and Bridge Program and Director of the Dental Implant Research Center in his tenure. Dr. Baumgarten is a fellow in a number of professional and honor societies, including the Omicron Kappa Upsilon Honorary Dental Society, Matthew Cryer Honor Society and The Greater New York Academy of Prosthodontics. He is also affiliated with the Academy of Osseointegration, American Academy of Periodontology and American Dental Association. He is a frequent speaker, lecturing regularly around the world, and is also the author of a variety of chapters in dental textbooks and articles in peer-reviewed journals.

According to Penn Dental Medicine, the Alumni Award of Merit is given annually by the Penn Dental Medicine Alumni Society to those graduates who have maintained their ties with the School through their support of alumni activities, demonstrated leadership in the dental profession, and fostered and maintained the ideals that the School of Dental Medicine has stood for since its founding.

Founded in 1948, Amsterdam Dental Group provides treatment for a full range of cosmetic, restorative and periodontal cases including the most complex issues.
